### BERKS PEPPER JAM WAIVER

You must complete the following:

I, \_\_\_\_\_, am signing up to do the \_\_\_\_\_ challenge at the Berks Pepper Jam. I understand that what I am about to do is foolish, stupid, and maybe insane, and I expressly assume all risks in connection with my involvement in this event. I acknowledge and represent that my health is in good enough physical, mental, and emotional shape such that I can safely undertake this event. I understand that I may be exposed to foods, contaminants, allergens, and otherwise horrifically funky food-like products that could cause illness, allergy, and/or insanity. I represent that I am 18 years or older, so I can legally enter into this agreement. I represent that, despite my obvious masochistic tendencies, I am not incompetent. I understand that in doing this event, I am waiving each and every legal and equitable right, express and implied, against the Berks Pepper Jam, Flagship Music, and/or any other organization, along with its organizers, producers, vendors, procurers, representatives, agents, assigns, contractors, next of kin, past girlfriends, frenemies, cousins named Fred now twice removed, and anyone else connected with this event and/or the Berks Pepper Jam. In sum, if I get sick or harmed in *any* way, I understand and agree that it's my own darn problem and no one else's, and I won't bother showing up on Judge Judy, because it's all on me.
